

How fabulous. You have an event to organise!

This Party People range is curated for the no fuss client, perfect for the smaller budget but still enabling you to create a unique event. The flowers remain stylish and seasonal synonymous with the Wilde Thyme brand. Designs are created with love by our design director and founder Clara Barthorp and hand made with skill and love by our expert in-house florists headed up by Franny.

We're offering you:

THE IDOL - Classic timeless whites

THE SOFT- Forever popular, blushing pinks

THE DOLLY - A colourful seasonal garden

Optional extra.

For a 15% added overall include one more colour of your choice, maybe a soft blue, a daring red or dashing dark to add extra va-va voom. This can be arranged by emailing shop and we can certainly help by making suggestions.

Please note that the flowers in the images below are subject to change as all our flowers are seasonal.
